The Star-Spangled Banner flies high over West Grant High School for us, the students, to appreciate. We come here in the autumn, with happiness, curiosity, and ambition, looking forward to the coming school year.

Here we meet new people and do things for our school. Seniors value each day, knowing that the end shall soon come. Freshmen come curious and frightened to know what West Grant High School shall do for them. There isn't any need for fear, we all know the future here is warm, wonderful, and full of opportunity!!

Homecoming

Friday evening, October 12, 1962, the Homecoming Dance was held in the West Grant Gym concluding the Homecoming week. The gym was decorated for the event, and the boys played a good game even though they did lose.

King Dennis Breuer missed the football game because of illness, as a result, Queen Kay Blackburn was crowned at the Homecoming Dance. Homecoming 1962 was truly a wonderful event and a night to be remembered by all.

The football season came to an end and everyone at West Grant thought it had been successful because of the one victory they had gained. They beat Boscobel 12-7 in the earlier part of the season.

The West Grant High School Gym was the scene of a basketball game between the members of the University of Wisconsin Rose Bowl Football Team and the Southwest All Star Team on January 29, 1963. The local team was made up of basketball players from the area schools.

Ron VanderKelen served as co-captain of the team and with the other Rose Bowl players they did an outstanding job of playing basketball and demonstrating football techniques.

At the half-time, John Fabray and Ron VanderKelen presented the awards for captain and most valuable player to the members of the West Grant football team.

The days of March and April were filled for the students making preparations for many events. Careful planning and thoughtful consideration made each and everyone of those a success.

Spring was here and students were happy and ambitious, waiting for the few remaining months of the school year to pass by, and thoughts of graduation soon came to the minds of the Seniors.

The gym was decorated with a false ceiling of green and white crepe paper; a swimming pool and a gushing spray of water created the atmosphere necessary.

Time passed quickly and everyone enjoyed the fascination and wonderment the evening offered. The Junior Prom of 1963 soon came to an end, now a precious and beautiful memory.

Monday May 20th at 12:01 a.m. marked the beginning of three days packed full of fun and sight-seeing for 34 members of the class of '63. Some of the places they went were Detroit, a town in Canada, and Chicago. They spent a short time in each place. Many of the seniors came home to sleep, as some of them hadn't since the night they left. They came home tired and happy and somewhat sad, too, as graduation was only a few days away.

May 24, 1963, thirty-nine Seniors brought to a close twelve years of education. The Seniors came as graduates and moments later were alumni. Mr. Uebel presented the class to Mr. Walters who proceeded to give them their diplomas. The exercises came to a close. They were left with their diplomas, a few memories, and their motto . . .

They will now take their places in their communities, a place they have prepared for for twelve years.

High school years are half finished for the Sophomores. They have had a lot of fun in the past, but see more in store for the future. The highlight of the year was the ordering of their class rings.

The Sophomores sponsored many candy sales throughout the year to help their treasury grow. They also sponsored the Annual Christmas Party.

Cheerleaders

The cheerleaders had a lot to yell about this year, and yell they did! The students and fans offered much support and good volume.

The Varsity and Junior Varsity cheerleaders worked hard to keep up the school spirit. They also presented many very good pep rallies in preparation for each game!

Track and Field Team

The year of 1963 saw a relay team emerge from West Grant. The team, comprised of Mike Noethe, Jim Meng, Larry Finn, and Roger White placed first many times during the season, including a first at the Peacock Relays in LaCrosse and a first at the sectional meet at Darlington enabling them to go to the State Meet.

Rog White was one of the most outstanding members of the team, excelling in shot put, broad jump, and many running events.

Larry Finn placed 4th in the low hurdles at the conference meet. He is one of the up and coming hurdlers in the SWAL conference, and we are expecting big things from him in the 1964 track season.

Two freshman members of the team, George Lane and Bud Bunders, were outstanding this year.

The senior members of the team, Mike Noethe, Jim Meng, and Greg Beneker, will be missed next year.
